Headline:
Dry overnight, bright with some sunshine tomorrow.

Today:
A dry and bright morning with the best of any sunny spells likely to be towards the east, across parts of Lincolnshire. Breezy at times, especially over the Peak District. Perhaps a little cloudier into the afternoon, but staying dry. Maximum temperature 16 deg C (61 deg F).

Tonight:
Dry but turning increasingly cloudy through the evening. Outbreaks of rain then developing through the early hours. Skies clearing for much of the region by dawn, but feeling cooler. Minimum temperature 7 deg C (45 deg F).

Friday:
Dry and bright once early cloud and rain clears from the south. Long spells of sunshine likely through much of the morning, but cloudier by the afternoon. Cooler. Maximum temperature 12 deg C (54 deg F).

Outlook for Saturday to Monday:
Dry and bright for much of Saturday. Cloudy with some light rain Sunday. Turning windier through Monday, with outbreaks of rain, perhaps heavy at times. Milder.
